

## **Amendments table for changes to the stake and prize limits for gaming machines and prize gaming**

On 10 June 2009, the Categories of Gaming Machine Regulations were changed to increase the stake and prize limits for category C gaming machines and change the stake and prize limits for category D gaming machines. On 11 June 2009 the Gambling Act (Limits on Prize Gaming) Regulations were changed to increase the stake and prize limits for prize gaming. This update details the changes required to BIIAB handbooks following these changes.

Whilst every effort has been made by BIIAB to identify all references to stake and prize limits, it is possible that some may not have been captured. Should you identify any such areas, please notify BIIAB immediately at [quals@bii.org](mailto:quals@bii.org)

The changes detailed in this update will affect the assessment of the BIIAB Level 2 National Certificate for Licensed Practitioners (Gambling) only. These changes will be effective immediately.
