

BIIAB Scottish Certificate for Licensing Board Members  
BIIAB Scottish Certificate for Licensing Standards Officers  
BIIAB Scottish Certificate for Personal Licence Holders

In order to deliver these qualifications, all tutors are required to fulfil the following requirements:

- trainers must have an existing, teaching/training certificate approved by the SQA, and/or accredited by QCA, DELLS or CCEA, and/or
- can demonstrate an understanding of licensing in Scotland attained, and/or
- accreditation of prior achievement.

In order to evidence prior achievement trainers must provide BIIAB with a written statement giving evidence of training that has been mapped to, or on National Occupational Standards (this must be evidenced from a certificating body), or in-depth details of prior achievements in order for BIIAB to assess their suitability. BIIAB will assess these applications on an individual basis.

BIIAB Scottish Certificate for Licensed Premises Staff

In order to deliver this qualification, all tutors are required to fulfil the following requirements:

- tutors must hold a current Scottish Certificate for Personal Licence Holders, certificate.

BIIAB therefore requires any centre wishing to deliver the above qualifications to ensure that their tutors meet these requirements **before** submitting a nominated tutor form and an application to extend centre approval form.
